

## **RENOVO CORPORATION ANNOUNCES COMPANY NAME CHANGE TO FYISOFT, INC.**

**NAPLES, Fla. – Dec. 16, 2016 – (BUSINESS WIRE)** – Renovo Corporation, provider of cloud-based financial reporting software solutions, today announced it is changing its name to FYISOFT, Inc. The name change is part of the company’s rebranding initiative to better align the company name with its future strategy and near-term product roadmap.

“FYISOFT, *‘For Your Information Software,’* encompasses our commitment to provide relevant information through cloud-based financial reporting,” said Mary Brandon, Vice President of Marketing for FYISOFT. “Our solutions consolidate multiple source systems into one centralized repository, enabling finance professionals to gain a single, integrated view into the business information they need, whenever and wherever they need it.”

In addition to the name change, the company will also move its corporate headquarters from Fort Lauderdale, FL, to Naples, FL, launch a new website at [www.fyisoft.com](http://www.fyisoft.com), and continue adding new features and enhancements to its ReportFYI report writing software (formerly Renovofyi).

“We see this name change to FYISOFT as an exciting opportunity to increase our visibility in the Financial Corporate Performance Management marketplace,” said John O’Connell, FYISOFT Vice President of Business Development. “We are reenergized by our continued growth and are committed to providing the best financial report writer on the market.”

### **About FYISOFT**

FYISOFT provides feature-rich, easy-to-use financial reporting solutions that enable companies to gain accurate insight into their corporate finances – wherever, whenever, and however their business needs dictate. FYISOFT’s solutions can be deployed in the cloud or on-premises, and include a financial report writer, a currency translation module, and a flexible general ledger integration tool. Headquartered in Naples, Florida, and serving valued customers throughout the world, FYISOFT is an emerging force in the Financial Corporate Performance Management space.
