

FYISOFT, Inc. Application Certified By Acumatica

The FYISOFT application is recognized as an “Acumatica-Certified Application” by the Cloud ERP company

NAPLES Fla. — March 7, 2017 — FYISOFT, Inc., a provider of cloud-based financial reporting software solutions, today announced that its software has been recognized as an Acumatica-Certified Application (ACA).

Acumatica is a comprehensive, browser-based Cloud ERP solution optimized for ease of use, adaptability, mobility, speed, and security. The ACA title highlights outstanding development partners whose applications have met the highest standards set for Acumatica integration and functionality.

“Customers who want to stay competitive need flexible, responsive technology to execute their long-term business strategies,” said Christian Lindberg, Vice President of Partner Solutions at Acumatica. “Our ACA label is built to help customers find applications capable of delivering that. We’re proud to recognize FYISOFT’s cloud-based financial reporting as an Acumatica-Certified Application. It masterfully utilizes the Acumatica platform to meet customers’ growing business demands.”

To become an Acumatica-Certified Application, FYISOFT has demonstrated commitment to quality by passing the Acumatica software test and aligning to future Acumatica roadmap releases.

“This certification supports our mission, which is to provide clients with cloud-based financial reporting to increase efficiency, reduce total cost of ownership, and provide financial insight to make swift and informed business decisions,” said John O’Connell, President at FYISOFT. “FYISOFT is leading the transition to cloud-based financial reporting by partnering with Acumatica. Our joint clients are able to streamline processes and information across their entire organization with one integrated and comprehensive solution.”
